

Dear Borrower,

In order to comply with applicable law and regulatory guidance, 7 Mortgage policy prohibits the sending of billing statements to borrowers whose obligation has been discharged or is subject to the automatic stay in a bankruptcy proceeding.

If your personal obligation has been discharged in a Chapter 7 case and you wish to receive billing statements, you may do so by filling out the attached form and returning it to 7 Mortgage. 7 Mortgage encourages discharged Chapter 7 debtors to confer with their attorney before signing and returning the attached document.

Sincerely,

David Hughes
Vice President
7 Mortgage
